Namibia: Fascination Africa

Day 1, Sat, 04.11.2023: Welcome to Namibia
Arrival at Hosea Kutako International Airport in Windhoek (flights not included) and transfer to your hotel. In the late afternoon, you will meet your guide and later have dinner together at the famous restaurant Joe's Beerhouse. D

Day 2, Sun, 05.11.2023: Namib Desert
Our day starts with a city tour of Windhoek, showcasing its historical landmarks and monuments as well as the suburbs of Khomasdal, Katutura, and Ludwigsdorf. Departing Windhoek, we will travel to our lodge in the Namib Desert. The afternoon can be spent relaxing by the pool. B/D

Day 3, Mon, 06.11.2023: Sossusvlei
Our plans today require an early start. Arriving at the Namib Naukluft National Park shortly after sunrise, we will watch as the mountains of sand are painted hues of apricot, red and orange by the first rays of sunlight – contrasted against a crisp blue sky. You will be captivated by the surreal landscapes of Deadvlei, a clay pan surrounded by some of the highest dunes on the planet, and Sossusvlei, a salt and clay pan where the dry Tsauchab River ends abruptly among the dunes. Take the opportunity to walk up one of these majestic dunes and admire the desert landscape below. After this thrilling experience and before returning to our lodge, we will visit Sesriem Canyon, a life-sustaining natural phenomenon in the heart of the Namib Desert. B/D

Day 4, Tue, 07.11.2023: Swakopmund
After breakfast, we will travel to Solitaire, a small settlement seemingly in the middle of nowhere on the edge of the Namib Naukluft National Park. We will then continue our journey via the desolate, rolling hills of the Kuiseb Valley and make our way towards the Atlantic Ocean. Travelling along the scenic route between the dune belt and the Atlantic Ocean, we will reach Swakopmund, where the rest of the day is spent at your leisure. Dinner in Swakopmund. B/D

Day 5, Wed, 08.11.2023: Cape Cross
Embrace the relaxed pace of life in the idyllic coastal town of Swakopmund, while enjoying coffee and freshly baked pastries in one of the many local cafés. Alternatively, explore the Walvis Bay Lagoon on a catamaran cruise (additional fee): the Catamaran Charters team invites you to enjoy an adventure packed tour to Pelican Point and beautiful Walvis Bay. The chances of encountering dolphins, whales, turtles, seals, and mola mola (ocean sunfish) make the search for the Marine Big 5 all the more exciting. Enjoy sparkling wine, fresh oysters, and other mouth-watering snacks on board. In the afternoon, we will head north to Cape Cross and visit a seal colony. B/D

Day 6, Thu, 09.11.2023: Damaraland
Today, we will continue our journey into Damaraland, one of the most sparsely populated and most geologically diverse areas in Africa. This harsh, rocky environment is home to the elusive desert elephant, the black rhino, and free-roaming antelope. We will visit Twyfelfontein, a UNESCO World Heritage Site where you will see over 2,500 examples of rock engravings and paintings created by the Bushmen over 6,000 years ago! We will proceed to the Petrified Forest and observe a geological phenomenon in which wood has been transformed into stone among some of the oldest landmasses on the planet. We will also see Welwitschia mirabilis,

the oldest living desert plant on Earth. Our journey will then take us to our lodge with a wonderful view over the Ugab Valley. B/D

Day 7, Fri, 10.11.2023: Etosha South
In the morning, we will visit the Vingerklip. Our onward journey will lead us to Namibia's wildlife haven – Etosha National Park. The afternoon is devoted purely to observing the abundant wildlife found in the national park, which surrounds a parched salt desert known as the Etosha Pan. The park is home to four of the Big Five – elephants, lions, leopards, and rhinos. Popular game species are all found here such as giraffes, blue wildebeest, plains and mountain zebras, hyenas, lions, leopards, antelopes such as kudu, oryx, eland, as well as some endangered species such as black rhinos, cheetahs, and black-faced impalas. B/D

Day 8, Sat, 11.11.2023: Etosha National Park
Today, your guide will take you on another game drive through Etosha National Park. Alternatively, you can book an open game drive with the lodge (additional fee). We might encounter animal species we have not seen the previous day at the waterholes visited. The Etosha Pan dominates the park. This salt pan desert, which is nearly completely enclosed by the park and is lined by numerous watering holes, is roughly 130 km long and as wide as 50 km in some places. In the afternoon, we will travel back to our lodge, where you can enjoy the rest of the evening at your leisure. B/D

Day 9, Sun, 12.11.2023: Auas Safari Lodge
With a heavy heart, we will say goodbye to this wildlife paradise after breakfast. Via the villages of Tsumeb and Otjiwarongo, we will reach our final lodge. In the afternoon, we will go for our last sundowner drive in the Namibian bush, followed by a farewell dinner. You should stay awake as long as you can tonight – that way you can make a wish on a shooting star that you will come back to Namibia soon! B/D

Day 10, Mon, 13.11.2023: Departure
Spend the morning at your leisure. Transfer to the international airport (flights not included). B
