Jordan

An Arabian treasure hunt

Small kingdom, but a great cultural expedition. Starting point – Amman, the capital. Past biblical sites via the Crusader castle of Kerak to the rock city of Petra, a gem at the junction of the Incense Route. Mother Nature is an art director in Jordan – blustery winds create images with sand as they sweep through the desert, rock walls become sculptures, and the sun, moon and stars become light installations. Water hiking in Wadi Mujib, floating in the Dead Sea, and experiencing Bedouin life first hand in a tent camp in Wadi Rum put the finishing touches on our adventure tour. Not ready to re-emerge yet? Simply extend your stay by two days at the Red Sea, a snorkelling and diving paradise!

- White Amman and the rock city of Petra
- Overnight stay in the desert in Wadi Rum
- Red Sea and Dead Sea
- Optional seaside extension

Jordan: An Arabian treasure hunt

Day 1, Mon, 15.04.2024: Flight to Jordan

Individual arrival in Amman (flights not included). Upon arrival, you'll be greeted by our representative and transferred to the hotel.

Day 2, Tue, 16.04.2024: A day jam-packed with rocks

The Greeks, Romans, and Byzantines have already been here – now it's our turn. In the morning, the bus takes us to Amman's hot spots: hop off at the citadel and the Roman theatre, and then continue to Jerash. More precisely, the excavation site of ancient Jerash. Temples, theatres, thermal baths. Stones, sculptures, columns. We stroll through the ancient Roman provincial town. Architecture, earthquakes, desert sand and its rediscovery – our tour guide shares the secrets of the ancient walls. From rocks to holm oak trees in the Ajloun Forest Reserve. Panoramic views are the highlight of our hike among the evergreen giants. Return to the capital in the afternoon. An Arabian welcome dinner awaits you – complete with a thousand and one delights! B/D

Day 3, Wed, 17.04.2024: Tales from the Bible

We get closer to the Dead Sea. In Madaba we encounter a pixelated image with a history: the legendary Madaba Mosaic Map. This is what route planning once looked like. From Mount Nebo, the burial place of Moses, we take in the view: the Jordan Valley, the Dead Sea, Jerusalem. Kerak Castle with its Crusader past can't fool us: its corridors are as dark as its history. And just as twisted. From the Crusaders to an Egyptian Sultan to the Ottomans – with the help of our tour guide, we gain insight and perspective. From the viewpoint, you might even see the Mount of Olives. Afterwards we'll continue to the realm of ancient Petra. It's still hiding there behind the rocks. B

Day 4, Thu, 18.04.2024: Petra

Rise and shine, early birds! Early in the morning we'll make our way to the pink city of the Nabataeans. Via a narrow rock corridor in the middle of the desert, we'll venture forward. First highlight: the Treasury. Many more highlights will follow: temples, tombs, shrines. It all bears witness to the fabulous wealth of the city's former inhabitants – right down to the pool on the rooftop terrace: an ancient spa at the very top complete with hot water technology and a panoramic view. We'll also climb there in the course of the day to enjoy the 360-degree view, but we'll only bathe in sweat at best. Who needs a spa when you're having so much fun! But aren't you exhausted? Back at the hotel, it's time for a little stretching and relaxation! B

Day 5, Fri, 19.04.2024: Off to the desert

Could it get any better? Hardly! But today is different – today, nature is an architect. Off to the desert labyrinth of Wadi Rum! When the bus can't go any further, we'll switch to off-road vehicles. Erosion has chiselled rock formations worthy of design awards. We proudly present the star among the artists: the wind with its finest sand paintings! But the greatest feat is achieved by our tour guide: finding a shady spot in the desert for the picnic lunch we've prepared beforehand. We'll all choose our very own front row seat for the evening sunset. And after sundown? B/L/D

Day 6, Sat, 20.04.2024: To the Red Sea

From the desert to the Red Sea. Will you dive straight into the sea or the pool? Or would you rather set off on your own to explore Aqaba

first? In the evening, we'll all meet again for dinner at a restaurant. B/D

Day 7, Sun, 21.04.2024: A lazy day

A day off to do whatever you feel like and make the most of your holiday. Relax on the beach or take a boat tour? Swimming, snorkelling, or shopping? B

Day 8, Mon, 22.04.2024: To the Dead Sea

Today we'll float on the surface of the Dead Sea! But first we have to cross the stunning landscape of Jordan until we reach our resort. B

Day 9, Tue, 23.04.2024: Hiking or relaxing

In the morning, we'll go for a hike in Wadi Mujib. Depending on the weather conditions, we'll take the Siq Trail, a water hike through the gorge (not for the faint of heart). We'll walk along the bottom of the gorge, as the spring water of the plateau forces its way through the 50-metre-high sandstone walls. This is where hiking becomes a triathlon: wading, swimming, climbing. "Triathlon competitors" can have a rest at the hotel in the late morning: swimming, reading, sunbathing, relaxing. Simultaneous swimming-and-reading is also an option: It's time for the legendary photo shoot at the Dead Sea! Free time for everyone in the afternoon. B

Day 10, Wed, 24.04.2024: Goodbye Jordan!

You'll be transferred to Amman Airport to board your flights home (flights not included). B/D
